

SeaKing - References

Cunard

SHIP	Queen Elizabeth 2
YEAR	2006
LOCATION	Lloydwerft - Germany
SCOPE	<ul style="list-style-type: none">- Replace tiles in galley, repair aluminium deck according to codes- Repair/Convert galleys and foodservice areas for USPHS Compliance- Replace wall and ceilings panels in room service pantries- Replace old cooktops and grills- Install additional shelves and racks
AREAS	<ul style="list-style-type: none">- Bars- Galley and pantries- Prep rooms
EQUIPMENT	<ul style="list-style-type: none">- Custom-made wall and ceiling panels- Custom-made refrigerators- Custom-made racks and shelves- MKN grills and stove tops- Custom made ice bin
NOTES	The age of the ship made the work very difficult. Many decades ago, shipbuilding was different; therefore, accessibility was a key issue when mobilizing equipment. Our welders successfully repaired the aluminium deck to the full satisfaction of the owner before re-tiling the area. Now, there is no more leaking thru the deck. Numerous USPHS upgrades were completed which helped to improve operations and make cleaning more efficient.

SeaKing Inc. is the largest stainless steel manufacturer dedicating it's services entirely to the cruise and marine industry with offices and factories in Europe and the United States.
